Thank you.

Cold, windy but an awesome day!

Last Friday was the School Council, Pink and Blue day to support cancer research. Initiated by students, we had a football match against Glenora, people dressed in pink and blue and many, many cupcakes were on sale. The day was a fundraising success and we're inviting the Cancer Council to come to a school assembly for a presentation of the money raised.

For the school it was also a huge community success!

Our aim, and it has been spoken about in many newsletters, is to make our school a successful part of the Bothwell community. Last week's football game was an excellent example. From the involvement of Glenora students, to the wonderful parents that helped before and on the day, the community members who came to watch and to the wonderful behaviour of all of our students, it was a great day and something we can be extremely proud of and build on into the future.

Well done and thank you to everyone concerned!

Oh – we won the match too!

Cooking Class on Thursdays. Sushi and Fried Rice.

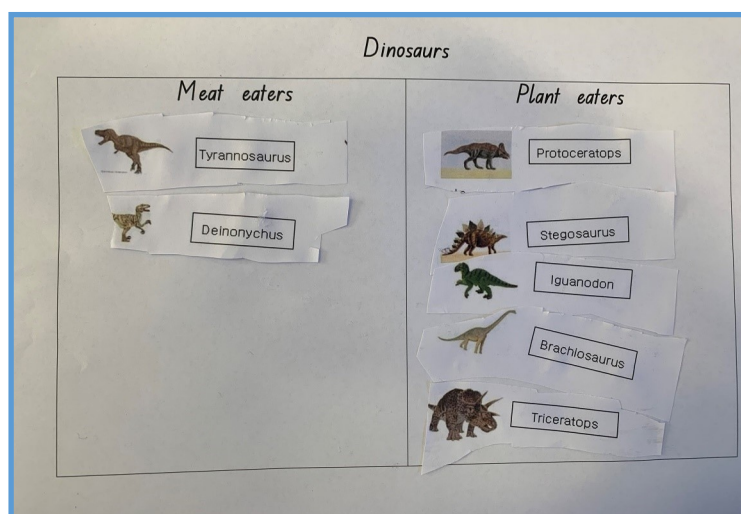

Assembly held on Monday

Kinder/Prep Dinosaurs

Kinder/Prep have been learning about dinosaurs. Yesterday we chose one of our questions to find the answer to: what do dinosaurs eat? We watched a video about meat eating and plant eating dinosaurs.

We sorted which dinosaurs are meat or plant eating dinosaurs and used scratching tools to uncover dinosaurs from eggs.

A couple of really important reminders:

Before visiting your child's classroom during the school day please sign in at the office...

All visitors to the school are asked ***not to go directly to classrooms*** but to come via the school office. This is for both safety and accountability reasons.

Mobile phones

We are very lucky that mobile phones are not a huge issue in our school as they are in so many other schools. We are however having **problems with both parents and students** contacting each other in **class time**.

Please if you need to speak to your child in class time, go through the school office or wait until recess/lunch time. Not doing so significantly disrupts teaching and learning.

Student pre paid personalised envelopes have been given to each student. Spare envelopes and family envelopes are available from the school office. Any queries please ask at the office

2020 CARPENTRY APPRENTICESHIPS (4 positions available)

A career in the commercial building industry could be the start of a bright future. With a trade apprenticeship you will earn a wage while you work your way towards a nationally recognised qualification.

To be considered for a **Carpentry Apprenticeship** you must be able to demonstrate:

- A genuine interest in the trade and motivation to succeed
- A good understanding of what your chosen career path involves
- The ability to work as part of an effective team
- Well-developed literacy and numeracy
- A strong work ethic - being reliable, hard-working, fit and healthy

Relevant work experience and/or a relevant pre-vocational qualification would be an advantage.

To apply, send your resume, a copy of your most recent school or college results, a neatly handwritten covering letter stating why you're interested in an apprenticeship and a portfolio of relevant supporting information to:

Manager - Southern Construction
59 Sandy Bay Road
BATTERY POINT TAS 7004

**Applications close 5pm,
Friday 27 September 2019.**

Late applications not
accepted.
