## Playground opening for Leap Frogs

It was a perfect day for a playground opening this morning as students, staff and community members gathered to acknowledge the role of the Bothwell Tourism Group in financially supporting our new Leap Frogs playground. Constructed and installed over the last Christmas break, the playground features age appropriate equipment for our little people as well as a large sandpit. There are plans to add to the equipment and install a bike track.

A special thanks goes to the Bothwell Tourism Group for ensuring we have such a safe and wonderful, age appropriate play space.

**Cooking Class on Thursdays.  
Sushi and Fried Rice.**

### **Kinder/Prep**

After a few Kinder/Prep students began playing Duck, Duck, Goose at lunch time on Tuesday, more and more students joined in as time went on. It was lovely to see students' teamwork and kindness towards their peers. It was lots of fun.

## Bothwell Values in Action!

It is always fantastic to see so many of our students doing well. For some it's in the classroom, for others it's on the sporting field. Regardless of where it is our students always excel. Students volunteering at the recent Bothwell Community Lunch featured on our Facebook page at the end of last week. They were an excellent demonstration of our Bothwell Values in action.

It was a privilege to receive the following letter:

*Dear Mrs Davey,*

*I would like you and the staff to know how impressed we all were (at the Bothwell Community Lunch) with Haylie, Sonya, Tyler and Byron. They were so professional!*

*After an initial briefing they went about their tasks efficiently and respectfully. They observed when people needed assistance, saw jobs that needed doing and did them.*

*Their table service skills were exemplary.*

*These four students proved to be such a valuable part of our team, we would have no qualms requesting their assistance for other functions.*

*They have done themselves, their school and their families proud.*

*Yours sincerely,*

*Judi Turner.*
