Thank you.

From the Principal..

Welcome back to school and to the last term of the year. Traditionally Term 4 is the busiest with end of year celebrations and Christmas being such a big focus.

Staff and students have started the year well. I would like to take this opportunity to remind teachers, students and parents of the goals we discussed during mid-year reporting. Now is an ideal time to reconsider these goals and what needs to be done to ensure they are achieved.

A number of students have come to me over the last couple of weeks of Term 3 and again this week sharing with me that they have a limited work opportunity, usually on nearby farms. This is a valuable opportunity for students but it does take away from their time at school. While regular school attendance helps students to gain greater skills and knowledge, work opportunities often broaden student outlook considerably and give students a real reason for attending school. Ultimately attendance at school versus a period of paid employment is a parent's decision. We completely understand that this could be a very positive opportunity, we ask that you keep us informed as much as possible.

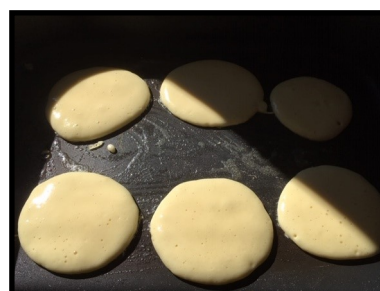

I have been out of the school a couple of times this week. One of the meetings I attended was specifically focussed on the extension of our school to year 11 and 12 commencing with Year 11 in 2021. In the coming months and into next year we will be looking to discuss the possibilities around this with parents, employers and community members. I encourage any parent, regardless of the age of their children to start considering where their child will attend school for Years 11 & 12. Under the new Education Act it will be compulsory for students to follow an approved learning pathway such as Years 11/12 or an apprenticeship. I will be sharing early thoughts and considerations with our School Association, next Monday October 21. You are all most welcome to attend.

There has been lots of excitement and talk this week about our student experience opportunity tomorrow – The Mud Run. I would like to take this opportunity to wish all participations a great day.

## Kinder\Prep

This week, Kinder/Prep used strips of paper, tape and straws to make a maze for a pom-pom. We had lots of fun designing them and testing whether the pom-pom could make it through by blowing into the straw.

17<sup>th</sup> October, 2019

Dear Parents/Carers,

RE: Pre-Kinder

Pre-Kinder sessions will run on a Thursday afternoon from 1.30-2.30 pm in the Flexi room for all children attending Kinder at Bothwell District School in 2020. These sessions will begin Thursday 31<sup>st</sup> October and conclude Thursday 5<sup>th</sup> December.

Pre-Kinder is a fun opportunity for your child to meet, play and interact with the children in their class next year and begin to develop an understanding of school structures. We will read books, do craft activities, sing, use play dough and have a play outside.

Parents are invited to all sessions of Pre-kinder, however children may be left if they are comfortable. You are welcome to a coffee in the staff room for the duration of pre-kinder if you would like to leave your child but still be close by.

Please contact me through the school office if you have any questions or concerns. I am looking forward to seeing you for a fun couple of sessions.

Kind Regards,

Ashley Quinn  
Kinder/Prep teacher
