Thank you.

From the Principal..

As we come to the end of the school year, it is nice to have so many opportunities to celebrate student success, student learning and student achievement. The first of our celebrations was a Certificate Assembly yesterday afternoon. Presentations included acknowledging student success in the Australian Maths Competition, acknowledging positive classroom behaviour through our Dojo reward system and class merit certificates.

It was also a wonderful opportunity to have representatives from both Aurora and Goldwind here to award certificates and prizes to students who entered the 'Name the Wind Turbine Competition'. The CEO from Aurora Rebecca Kardos and Janet Monks from Goldwind handed out certificates and prizes – A miniature turbine and either a Goldwind hat or beanie – to all of our winners.

It is nice to think that a development the size of the wind farm touches everybody in our community in such a positive way. Aurora have made a commitment to work with us next year and organise a trip out to the wind farm so students can see their names on the turbines themselves. We look forward to that.

The following pictures are just a few of the certificates that were handed out yesterday.

I would like to thank the parents and community members that came along yesterday. The extra 'certificate assembly' was scheduled as a response to some parent concerns last year about the Presentation Assembly being too long, particularly for the younger children who weren't necessarily the focus. I would be interested in hearing from parents, what they think of this year's assemblies to determine if it is something we continue to do.

Class One and Two

Last Friday we made 'Bread in a Bag'! We mixed all of the ingredients together in a bag and then baked the bread. We had a big feast and ate the bread with tomato soup, made out of tomatoes from our garden and butter chicken that we cooked earlier this year. It was a fantastic day and students have had a fantastic learning experience; from planting the tomatoes, to watching them grow, to picking them, freezing them, cooking using the tomatoes and herbs from our garden, to finally eating them on Friday. Well done to all involved!

5/6 Cricket Match

Well done to our 5/6 students who participated in a cricket game against Oatlands on Friday. Final scores were Bothwell 67-44. A big thank you to our Secondary helpers who umpired and scored on the day. Also thanks to the Bothwell Cricket Club who allowed us to use their wickets, and the Central Highlands Council for allowing us ground use.
