Thank you.

This week marks the beginning of Week 6 — we are already half way through the school term!

The school term certainly is flying! With so much happening it's a good opportunity to share some of the important events in and around our school.

Attendance — Student attendance continues to be a priority across our school and while it is expected that children will get sick and have to stay home from time to time, I would ask parents and carers to be very particular about the 'other' days that students have away from school. Where possible could non urgent appointments be kept to after school and holidays/weekends where possible please.

Corona Virus—well done to all our students and families on the down to earth, responsible way they are handling the Corona Virus. In fact for many of our students they are finding the uncontrollable bulk buying of toilet paper and subsequent jokes, more interesting than the illness itself. We did send home a notice last week and posted it on Facebook. Parents are encouraged to discuss this with any students who may be concerned. The best way to stay healthy is to practise safe hygiene practices, including the regular washing of hands and to cough into your elbow.

Student Health Survey—The 2020 Student Wellbeing Survey will be taking place between Tuesday 10 March – Friday 3 April. Students across Years 4 -12 in all Tasmanian Government schools will undertake the survey, which will be used to help school, system and community approaches to support student wellbeing. This will be conducted at school, for further information please feel free to contact the office.

Teacher Moderation Day—Thursday April 9th. It is worth reminding families that students finish Term 1 on Wednesday April 8. The following day, is Teacher Moderation Day, where teachers from a variety of schools work together to assess student work ensuring that all teachers are making the same judgements. By doing this we are guaranteeing that a piece of work that is awarded an A(or a B,C, D) in our school, would be awarded an A in any other school around the state.

Progress Reports—Classroom teachers are currently completing student progress reports. Designed to share with parents how their child has started the new school year, they will be sent home next week.

CommBank Bushfire Support

In light of the recent devastating bushfires, we want to share how we can help. Applications are now open for Bushfire Recovery Grants to help rebuild community facilities, schools, fire brigades and replace lost or damaged equipment. Please encourage your local community groups to apply by 31 March 2020, for grants of up to \$50,000. If you're a CommBank customer and you've been affected, we can also give you a hand with your finances. commbank.com.au/bushfirerecovery

2020 Treetop Savers Adventure.

This year, the Dollarmites (Pru, Addy, Spen, Lucas and Pat) are ready to take children on a Treetop Savers adventure to the enchanted Treehouse of Savings. Here they'll discover lots of fun financial activities and rewards for saving.

Many surveyed parents think it's important to make learning about money engaging and to reward good saving behaviour*. And this year, we're changing our School Banking rewards for the better. We're introducing new eco-friendly and reusable rewards, alongside other rewards that encourage creativity, as well as indoor and outdoor play.

Activity 1: Add up Addy's pocket money

Addy gets \$2 pocket money every time she does a job in the Treehouse of Savings. If she does 9 jobs, how much will she have earned?

A: \$ ____.

Activity 2: Find and count how many frogs and butterflies you can see

A: ____ Frogs and ____ Butterflies.

Term 1 Treetop Savers rewards

When your child makes 10 deposits with School Banking, they can redeem one of our Treetop Savers rewards. Term 1 rewards are available now, while stocks last.
